ABOUT

I am a Technical Team Leader with 8 years of game development experience specializing in Code Design focused on Scalability and Modularity. My versatile skill set, excellent communication abilities, and a commitment to leading teams towards shared goals make me an excellent candidate for this role

KEY ACHIEVEMENTS

💎 Successful Game Deliveries

Led team to deliver 3 successful games, increasing company portfolio by 30%.

💎 Improved Performance Efficiency

Reduced game build times by 30% through CI CD Pipelines

💎 Enhancing Developer Output

Built scalable and flexible systems that improved developer output by 20%

💎 Effective Team Management

Managed multicultural team of 14, achieving 100% project deadlines successfully.

EDUCATION

Masters in Computer Applications

University of Jammu

📅 08/2012 – 05/2015 📍 J&K, India

I.E.L.T.S. Overall – 7.5

STRENGTHS

💎 Communication

Excellent Communication skills ensuring clear and concise conveying of thoughts and ideas

💎 Decisive

Accountability of my decisions and helping to lead the team towards goal achievement

💎 Solution Oriented

Focus on understanding problems and finding effective and efficient solutions
