J&K,India

I am an Energetic, Versatile, Technical Team Leader with experience of 8+ years. My array of experience gives me an edge in understanding the broader picture of any project. I have excellent Communication Skills and I thrive on taking responsibility within a team environment with a desire to lead people to reach a common goal. I strongly believe that Harmony between teams bring out the best of any Product Development Life Cycle and I feel I have the ability to be the "Harmonizer".
